### About AIM Company & VW Productions Internships

Internships offer meaningful learning opportunities and on-the-job experiences to high school juniors/seniors, college and graduate students, and recent college graduates (within two years of graduation) who are interested in beginning careers in performing arts management and/or arts education. Selected students are selected twice a year to participate in a three to four month long, part-time (10-20 hours per week) internship. Internships may be available in advertising, graphic design, development, customer service, press relations, video/media production, public speaking, journalism, computer technology, music business, volunteer management, and finance.

Each intern, with their supervisor, develops a list of learning objectives and goals that they would like to accomplish as well as being assigned a project to be completed during their time with AIM Performing Arts /Virtuous Worship Productions. Each intern maintains a working portfolio, attends required intern events, and participates in mid-semester and final evaluations.

#### AIM COMPANY PERFORMING ARTS

"Passion for Perfection"

Interns may receive a stipend to help defray transportation costs. College credit may be available. Reduced work hours may also be available depending upon course work requirements during the semester. Interns attend weekly sessions that are led by executives of the AIM Company. Interns may attend performances, workshops, and classes presented by AIM, free of charge (space available), during their internship.
